

**VILLAGE OF BURTON**  
**POINT OF SALE SEWER INSPECTION REPORT**

\*\*\*\*\* Pursuant to Section 125 of the Board of Public Affairs Rules and Regulations, no sale, transfer or conveyance of any property in the Village of Burton shall be made without the property owner first obtaining a point of sale inspection of the sewer and water lines. At the expense of the property owner, an independent contractor must perform the required inspection of the sewer lines (including a televised camera inspection of the sewer line) and/or any downspout, sump pump, and/or other method of surface water infiltration, fill out and execute this Point of Sale Inspection Report, and provide the completed form with a copy of the video from the camera inspection to the Village of Burton Utilities Operator for review. \*\*\*\*\*
