Discussed new ordinance

Decided that letters should be sent to all residents in the Historic District notifying them that there is an ordinance in effect and there are rules and regulations that need to be followed in that part of the Village. We will also leave copies of the ordinance in the Library for them to get. Jim Wohlken to work on letter.

Discussed the fact that we need to have some money budgeted for the committee

Want to talk to Chamber of Commerce about putting something in their brochure about the Historic District

Discussed putting plaques on all homes in the District so that they know that they are a part of it and that prospective buyers would also know. Need to talk to Historic District Assoc. to see if there are grants available for such a thing.

Need to plan quarterly meetings.

Planned meeting for May 14.

Sandy Humbert made a motion to adjourn. Seconded by Sharon Ronyak. Meeting adjourned at 8:15pm.
