

Welton Cemetery Meeting
February 25, 2009

Ms. Kimpton called the meeting to order at 4:02 PM.

Roll Call: Marcianne Kimpton-present, Charles Boehnlein-present, Newell Beaumier-present

Visitors: Jennell Dahlhausen, Chris Paquette, Judy Beaumier, Marty Motil, Roberta Dobay, Jim Wohlken, Mr. and Mrs. Hank Schiewe, Carol Humphrey

The Board discussed several projects they would like to complete this summer in Welton Cemetery. They informed Mr. Motil that they plan to put some type of drainage in the cemetery, some brush needs removed at graves that isn't maintained, maintenance for lawn mowing this summer and several other projects. Ms. Dahlhausen will meet with Mr. Motil to go over these various projects.

Ms. Schiewe asked if they could put up a fence between their neighbors and their property on the corner of Goodwin Avenue and Hickox Street. Ms. Schiewe was referred to the Village Zoning Inspector.

Mr. Wohlken asked us not to spray the weed killer along the fence on the west side of the Cemetery. Mr. Motil informed the Board that Lillibridge Landscaping was spraying the weed killer. The Board was not aware that they were spraying anything and agreed that they wouldn't put any weed killer along the fence as long as they are given permission by the property owners that they can make a pathway large enough for a push mower to get through so this can be mowed. The property owners in attendance agreed.

Mr. Wohlken also mentioned that the first Cemetery in Burton Village was at the top of the hill on East Center Street. He was not sure exactly where the old cemetery used to be but said the bodies were relocated.

Ms. Dahlhausen presented booklets for aluminum fences to run along the front property line.

The Board members discussed two quotes for the replacement of the fence on the west property line from Jackson Fence Company and Thomas Fence Company. Mr. Beaumier suggested that the bottom of the fence is about 4 inches above grade level for easier mowing and weed whipping.

Mr. Beaumier made a motion to accept the quote from Jackson Fence Company for the replacement of the chain link fence on the west property line not to exceed the amount quoted of \$6,150 with the fence raised 4 inches above grade level and Ms. Kimpton seconded. Roll Call: Newell Beaumier-yes, Marcianne Kimpton-yes, Charles Boehnlein-yes
The Board agreed to wait until after Memorial Day to start.

Mr. Boehnlein made a motion to approve the November 12, 2008 meeting minutes and Mr. Beaumier seconded. By voice vote, all board members agreed.

The next meeting was planned for Wednesday, April 15, 2009 at 4:00PM.

Ms. Kimpton asked Mr. Motil to make an address sign to attach to the Cemetery sign.

Mr. Beaumier made a motion to adjourn and Mr. Boehnlein seconded. The Welton Cemetery meeting adjourned at 5:25 PM.
