

***Welton Cemetery Meeting***  
**April 7, 2010**

Ms. Kimpton called the meeting to order at 4:02 PM.

**Roll Call:** Marcianne Kimpton-present, Newell Beaumier-present, Charles Boehnlein-present

**Visitors:** Marty Motil, Chris Paquette

Mr. Boehnlein made a motion to approve the October 21, 2009 meeting minutes and Mr. Beaumier seconded. By voice vote, all board members agreed.

Mr. Motil will install the benches behind the Ford Mausoleum and in front of the Veterans Memorial as soon as the Street Department gets a chance. Mr. Boehnlein suggested placing the bench behind the Mausoleum at a 45 degree angle so you can overlook the Cemetery. The Board agreed.

Ms. Dahlhausen called Allways Flashers for sign quote to be placed above the Goodwin Ave sign on the corner of the street at North Cheshire Street. The Board would like a white sign with green lettering that says Cemetery with an arrow pointing east.

Mr. Motil will jet the drains sometime this spring to see if they are clogged or need replaced. The Board will discuss the issue further once they know what is wrong with them.

Mr. Motil will purchase some stone for the drive at the Cemetery this year. It was suggested to contact people trying to receive community service credits to help rake the stone on the grass from the snow plow. The Board discussed chip and sealing the drive in the future.

Ms. Dahlhausen reported that 6 lots have been sold so far this year and there have been two full burials. We had an indigent in January but we were waiting for the weather to break before the burial. Now that the snow is gone Ms. Dahlhausen will plan the burial when Gingerich Excavating is out for another burial at Welton Cemetery so they don't have to come out twice. Ms.
