

Welton Cemetery Meeting March 26, 2014

Welton Cemetery Meeting
March 26, 2014

Ms. Kimpton called the meeting to order at 11:01 AM

Roll Call: Marcianne Kimpton-present, Newell Beaumier-present, Bobbie Dobay-absent

Visitors: Dianne Lillibridge, Chief Smigelski, Chris Paquette

Visitors Report:

Ms. Kimpton expressed concern with the Mayors plans of having juveniles paint the cemetery fence as community service. Chief Smigelski said the Juvenile Court assigns several kids to the project and they will have someone supervising them so they won't have to be watched or work with our employees. Mr. Beaumier said he will be donating the materials for the fence and the American Legion will be donating the paint. Chief Smigelski suggested the Board look into installing an aluminum fence in the next couple years. The Board will look into companies and get updated quotes in the near future. Ms. Dahlhausen said the fence isn't planned on the Cemetery Capital Improvement Plan until 2016 and we need to determine where the retaining wall will be installed.

Chief Smigelski stated the money to purchase a dump trailer will come out of Capital Equipment funds. This will be utilized for the grass clippings at the cemetery and other Street Department projects.

Clerks Report:

Ms. Dahlhausen reported there are several foundation requests in for this spring. The first to be installed is a foundation request from 2012 for the Roberts stone. The drainage in this section was corrected last year and we are hoping its dry enough in the spring. Mr. Wheeler from the American Legion contacted me and will be installing flags on the Veteran graves after the Street Departments first mow. Stonehugger will be returning this summer and the Board has budgeted \$15,000 for repairs. We thought this would be our last year but we asked them to add to the list of repairs since there are new concerns.

Old Business:

Nothing to report.

New Business:

Nothing to report

Mr. Beaumier moved to adjourn and Ms. Kimpton seconded. The meeting adjourned at 11:33 AM.

Board President

Cemetery Clerk
