Mr. Beaumier made a motion to accept the quote from Semerano Monuments, Ms. Richardson seconded. By voice all Board members agreed.

**Old Business:**

Ms. Kimpton mentioned that the Street Department has been working on removing all the overgrowth at the cemetery. All flowers and growth were removed if they did not conform to the Cemetery Rules and Regulations. Ms. Dobay asked about a section of tiger lilies last meeting and those have since been cleaned up with the other maintenance being done at the cemetery.

Ms. Dobay was very concerned that the cement flower urns are cracking. Mr. Motil has taken the time out to remove all dirt in the urns and sealed them with garbage bags, this will prevent cracks over the next few winter months. In the spring the board set aside funds to purchase removable plastic inserts to fit the urns, these could be removed in the winter season and prevent the cracking of the urns in the future.

**New Business:**

Mr. Beaumier moved to adjourn and Ms. Kimpton seconded. The meeting adjourned at 12:35 PM.
