

Burton Historic District
Architectural Review Board
Minutes
June 18, 2018

Ms. Weeks called the meeting to order at 7:00 PM

Board members present: Charles Weikart, Jim Wohlken, Alison Weeks
Board member absent: Jim Croup

Visitors: Pat Hauser and David Genske

Permit # 1013-18

Mr. Genske asked permission to replace/overlay the wood siding on his 1930's era Sears craftsman home at 13889 Cook Street. Mr. Genske intends to use Regatta Blue double 4 vinyl siding and white door and window trim. The inside of the home was taken down to the studs to eradicate any potential rodent problem owing to the prior owner. The new siding will go over the existing siding. The Board briefly discussed Mr. Genske's efforts in remodeling the home.

Ms. Weeks moved to approve the use of Regatta Blue vinyl siding on the home at 13889 Cook Street. Mr. Wohlken seconded the motion. By voice vote the motion was approved.

Mr. Genske asked the Board if they would have any problems in the future to his opening up the currently enclosed porch on the property. The Board did not see a problem as long as the porch meets zoning.

Mr. Wohlken made the motion to approve the 7 May 2018 minutes as written. Mr. Weikart seconded the motion. By voice vote the motion passed.

Meeting was adjourned at 7:20 P.M.

Respectfully submitted – Christopher Paquette, Clerk
